

FDI Services

- Foreign Direct Investment (FDI) promotion and development services provided by AHPI are generating inward investment leads, projects and completions. We are experts in matching the strengths of a region and future investors by developing a Unique Local Proposition.
- Strategy development: definition of the ULP (Unique Local Proposition) and a marketing approach tailored to the client's needs.
- Complete and thorough in-market representation to potential/actual investors (AHP International as the in-market „face“ of our clients).
- Generation of leads, projects and completions:
 - In-market FDI campaigns, incl. industry campaigns, 1:1 outreach to targets, investment seminars (mainly hybrid)
 - FDI meetings at trade fairs and industry events (also as stand-alone-projects)
- All our programs are executed hybrid in a well-balanced combination of online and in-person components. Regional and cluster networking as pipeline building is a particular tool we like to apply as much as possible for our clients. Our key FDI sourcing markets are in Europe and North America. Together with our European and global network we offer a single source solution for today's FDI hot spots.
